Please get in touch if there is an error with spelling, age, school etc

Because riders raced in a mixture of laps and races I have not put anyone down as a DNF (did not finish) this week.

I have compiled all the results and combined riders with those who have done the same number of laps.

The race/wave column is what I have perceived to be where you started but please get in touch if the wave is incorrect.

Future results will be sorted by grade.
